

Elizabeth L. Beam, PhD, RN

**Co-Investigator for BIDTI and Project Coordinator and Instructor for HEROES
The University of Nebraska Medical Center**

Dr. Elizabeth Beam is a co-investigator for BIDTI and project coordinator and instructor for HEROES, a grant program at the University of Nebraska Medical Center College of Nursing that has provided hands-on and web-based emergency preparedness learning materials to healthcare professionals and students since 2005. HEROES was integral to sharing education resources regarding the healthcare response to Ebola virus disease in 2014. Dr. Beam has also produced multiple articles on how to safely care for highly infectious patients.
